

Auckley Show is held responsible for safety on the show field and is required to ensure all traders have undertaken their own assessments. Small businesses and individuals should, if they already have an assessment, provide an electronic copy (photo, pdf, or word document) or make a statement on their application form (*from Feb.'25*) that they are exempt from written assessments. To simplify performing risk assessments for our event, Auckley Show provides a template to aid your completion of the task. If you use that template, please provide an electronic copy. The electronic copies should be sent to safety@auckleyshow.co.uk

Our template to prepare a risk assessment can be viewed as a pdf at https://auckleyshow.co.uk/files/RiskAssStalls1_3.pdf

Or downloaded as a 'Word' document from https://auckleyshow.co.uk/files/RiskAssStalls1_3.doc

If you do claim exemption from record keeping, please ensure that you have performed a risk assessment even though you have not made a written record of the assessment. We recommend that you do have a written record even if you are able to claim exemption.

Declaration of Safety, (without written record):

I declare that I understand my responsibility to trade in a safe environment and I have considered all potential risks involved in my attendance and trading at the Auckley Show and that, where necessary, appropriate action has been taken to reduce all risks to a low level.
